Question			
Can LIA Laboratory accept a printscreen from an online certificate database as proof of compliance?			
Decision			
<p>For CB / ENEC certification jobs full copy of valid safety certificate has to be provided. As these are third party schemes (not owned by the LIA).</p> <p>For LIA certification schemes and testing without certification a print screen from the certificate online database can be accepted if all relevant information are included.</p> <p>Minimum relevant information are:</p> <ul style="list-style-type: none"> - Name of manufacturer; - Model/product number; - Ratings (e.g. current, voltage, Tc point, diameter, etc.) - Safety standard (also edition or issue year of safety standard).
